

The Jamaican Athletic Team Dinner/Charity Auction - Friday 28th July 2017
The Great Hall, Birmingham University 7pm – 12.00pm

You may or may not be aware that the Jamaican Athletic Team will be at their training camp in Birmingham prior to them competing at the IAAF World Championships London 2017.

The Birmingham Commonwealth Association in partnership with the Jamaican Consulate, Birmingham, have come together to organise a Dinner and Charity Auction in their honour. We would be pleased if you would join us as our guest. Tickets are also available at the price of £100 each.

Whilst there is no guarantee that all the Jamaican Athletic team will join us, including Usain Bolt, the Jamaican Consul, Wade Lyn, is optimistic that they will. Our evening will begin with drinks reception at 7.00pm. Dress code is cocktail dress or lounge suit

The host of the function will be British Olympic and World Championships medallist and current broadcaster, Colin Jackson.

We do hope you will look favourable upon this request and shall look forward to receiving your positive response.

Kind regards.
